Quran:

Alhamdulillah we have finished memorizing surat Al-Dhuha. The kids were tested over it and mashallah they did a wonderful job. We also started memorizing surat Al-Layl ayahs (1-4). Please encourage your child to recite or listen to the surah on houseofquran.com.

Islamic Studies:

The kids learned some of Manasik Al Hajj including: Al-Talbia, Al-Tawaf, and Al-Sai. We will continue this lesson of Hajj for the next two weeks and we will practice for the Hajj simulation inshallah. Also the kids engaged in some activities related to this lesson.

Arabic:

We covered lessons (61-63) which are parts (1-2) of the story of "The Angry Rabbit" The students learned lots of new words which we added to our Arabic Vocabulary list.

We also identified the letters by introducing a few words that begin with these letters.
